

supplies

For this WWMD project you will need the following supplies: protective eyewear, 1 pair of scissors, 1 wire cutter, 10 yards of wire, cellophane roll, paper bag, assorted beer pack and assorted mini booze

step 1

Disassemble your beer bottle box and cut 1/4 box height off.

step 2

Wearing protective eyewear use wire and wrap bottle necks to secure together.

step 3

Use 3/4 beer box and wrap around wired bottles. Use another precut bunch of wire to secure box.

step 4

Place bouquet in cardboard holder and attach accent booze bottles with wire.

step 5

Cut paper bag and cellophane roll tall enough to extend above the height of bouquet.

step 6

Wrap paper bag, then cellophane around the outside of bouquet. Add accent wire curls for flare. Congrats, you're done!
